Hello Sunshine,

Well, summer is upon us and things are heating up! SUN once again is sending top tier quartets to Las Vegas International in just a few months... **Signature, Main Street, Throwback, Rooftop Records and Fuego** will all be bearing the "Sunshine Banner" and will make us very proud, without a doubt. Congrats to all of you for qualifying and know that we are pulling for you!

They'll be joined by the SUN Chorus Representatives, **The Tampa Bay Heralds of Harmony**, who are gearing up for what should be an awesome chorus contest, as well. Good luck, gentlemen! <http://www.barbershop.org/vegas/>

This year, we are also celebrating Sunshine Districts very own International Champions, **Keep-sake**, who are celebrating their 25th anniversary of winning the gold in New Orleans. They'll *not only* be in Las Vegas for the International Convention, but will be joining us at our SUN Fall Convention! ...so please don't miss out on that very special performance on the SDAQC Show (SUN Fall Convention is Oct 27-29, tickets available soon at our website www.sunshinedistrict.org).

President's Message

Wedged in between BHS International and SUN Fall Convention is **Labor Day Jamboree**. I must say that the revival of this event has been really fun to watch. Byron Poore and his crew are doing a bang up job of bringing in top talent and the event is drawing Barbershoppers and their families from all over the world. Shows are top-notch and it's a casual environment...if you haven't been to LDJ, I encourage you to give it a try. **Signature, The Newfangled Four** and SAI's Silver Medalists **Windsor** are headlining this year...and LDJ favorites, **Boardwalk** will be performing as well! A few surprises may pop up as well...Check it out...Sept 1-4 <http://www.labordayjamboree.com/>

After Las Vegas, guess who is hosting International in 2018? We are "on deck" in Orlando. That snuck up fast, didn't it? Nick Schwob, Bill Billings and their Team will do a bang up job and I know that preparations are already underway.

A lot going on...hoping to see each and every one of you at one (or all) of these events. These are a big part of what makes our District "go", so your support is appreciated!

Have a great summer- hope to see you in Vegas and Orlando. As always, please reach out if you or your Chapter needs anything. This Board is here to serve you.

TIME AGAIN FOR ANNUAL FILING REQUIREMENTS... AGAIN!!!!

Let me first take the time to thank the Chapters that have taken the time to keep their chapter legal and off the radar. This helps make my job as well as those at International easier; and for that we are grateful. Unfortunately there are still many chapters which are delinquent in several areas and I would ask that each of you go to your eBiz website and check your financial filings status to verify you have indeed met all requirements to date.

With that said, here again is a reminder of what needs to be done to maintain the legitimacy of the chapter. The filing for nonprofit corporation status, the filing of the tax report for last year, ensuring the paperwork for solicitation is done, the completion of the financial review for last year.

Here is a list of items that need to be addressed annually by all chapters in the Sunshine District:

State Incorporations:

This should have been done by May 1. Even if your chapter has completed the State registration and paid the money for the incorporations, that fact still needs to be documented with the Society in the eBiz section of the chapter. This needs to be completed to meet Society requirements.

Taxes, Taxes, Taxes:

Another annual housekeeping function regards filing your taxes. Again, this applies to all chapter leaders and especially Treasurers, but chapter Secretaries can help by reminding the Treasurers. The 990s for fiscal year 2016 should have been filed by May 15, 2017. Upon completion, this also needs to be updated on eBiz.. all chapters not filing and updating this information will be delinquent after May 15th.

Solicitation:

In Florida, all not-for-profit entities that collect donations from the public are required to register. This helps the State to regulate and prove the legal status of the entity. If you are not sure if your chapter is up to date, you can visit the SunBiz website at <http://search.sunbiz.org/Inquiry/CorporationSearch/ByName> and check your

Brian Wunderlin
Secretary

chapters status. If you need help, you can contact me at secretary@sunshinedistrict.org and I will be more than happy to assist.

Listing Chapter Officers:

Did you know if you have someone filling a job that is not on the list, you might be able to get that job title added if you ask? If you are in that situation, let me know and I will help you. Also, please make sure that throughout the year you keep the list updated as people on the board may change midyear for whatever reason.

Financial Review:

This is the area where we are most lacking and it should not be because it is easy to do. Chapter Treasurers need to take a look at the Treasurer's manual and see what needs to be done. There is even a suggested form that can be used. This is not an audit but the form or report needs to be sent to Headquarters and the date of the review needs to be annotated in eBiz. All others, not completing and updating eBiz, will be delinquent after May 15th.

BOARD AND HOD MINUTES

Did you know the minutes from the Board of Directors and the House of Delegates meetings are posted on the Document section of the Sunshine District web site under Services:

<https://www.sunshinedistrict.org/services/> I would strongly suggest you take a look at the minutes to get an idea of how hard the board has been working to make the Sunshine District the best in the Society. In the minutes, you will see lists of action items that the board members are working on and if you have an opinion regarding one of the items, let the point of contact know. As a matter of fact, the Minutes from this past Spring Convention House of Delegate meeting are now uploaded and available for viewing on the Sunshine District web site. Thanks for helping to keep the Sunshine District great.

Exec. Vice Pres

Hi Everyone,

There is a lot of great stuff going on in the Sunshine District and throughout the Barbershop Harmony Society! Chuck Steiner and I have had the opportunity to participate in several BHS events through the District Presidents Council (DPC), both at Midwinter in San Antonio, TX and on DPC conference calls. We will share important info as it becomes available, but I encourage you to review the Sunshine District's wonderful website, put together by our own Roger Smeds, to find information discussed at recent **House of Delegate** and **Board of Director** meetings. Simply click on the Services tab and then the Documents tab to find this information.

I encourage you to explore the BHS website also, especially the **Healthy Chapter Initiative**. One impressive attribute this program offers is, it can easily be adapted to fit the needs of **any** chapter. Check it out!

Like Chuck, I would like to extend my congratulations to all the competitors representing Sunshine in Vegas! We also have **two** Youth Quartets, **On Point** and **California Kid**, who have qualified through video submission to compete in the **Youth Quartet Contest in Vegas!** This is a great accomplishment. Fifty-two quartets, (more than

Exec. Vice President's Message

any time in history) submitted videos for adjudication and these 2 great quartets made the cut! Good luck guys!

Speaking of youth, **Harmony Explosion Camp** is right around the corner. I encourage you to attend the **Saturday Night Show, 7:00 pm, June 10, 2017**, on the Florida Institute of Technology campus in Melbourne. It'll be a show you will thoroughly enjoy! See the Sunshine website for ticket info.

Sunshine will be sending several of our District leaders to Nashville in July for the **Leadership Summit**. This is a great event sponsored by BHS, with input from the DPC, established to share important info to assist each District achieve their individual goals.

Chuck and I have an exclusive scheduled conference call with Marty Monson very soon. This will be a wonderful opportunity to talk with the CEO himself about Sunshine specific topics. We'll let you know what was discussed in the next Sunburst.

I know you all get a lot of information from BHS, the District and your chapter leadership. If you have any questions, please let me know and your Board will be happy to assist.

Thanks!

Roger Smeds 2016 BOTY Presenter

Good Afternoon!

It has been a great honor to have been selected as BOTY for 2015. One of the great honors of holding that position is that I get to announce the BOTY for 2016.

This year, we have 3 candidates for BOTY for 2016. I would like to call them to the stage and introduce them to you:

- Richard Muir - Melbourne Chapter
- Dick Zarfes - Sarasota Chapter
- Sean Stork - Winter Park & Daytona Chapters

The 2016's BOTY has distinguished himself in his chapter and in the District. He has served his chapter and the district without thought for recognition, offering his various talents without reservation and over a span of many years. His love of our great hobby is the driving force for his involvement. The 2016's BOTY has competed at Sunshine District Conventions with his chorus. He has been instrumental in supporting youth outreach activities within the Sunshine District. He is an accomplished singer, both within our society and without. He has created learning tracks for various groups. He has competed multiple times at Sunshine District Conventions with his quartet. He has revitalized several programs at the district level that were in need of his efforts and abilities. He has served the District as Director of Quartet Development and as VP of Music and Performance. In case you haven't already guessed, I would like to introduce you to your Sunshine District BOTY for 2016.

COMPLIANCE

Financial Review – Has your Chapter done one lately?

Elsewhere in this issue our District Secretary, Brian Wunderlin, gives reminders about several items that need to be accomplished to keep your chapter in compliance with various requirements. One requirement that is frequently overlooked is the Financial Review. As Brian says: *“This is the area where we are most lacking and it should not be because it is easy to do.”* Less than half of the chapters in the Sunshine District have completed this task in the past year.

The Financial Review is relatively simple and is NOT an “audit”. It is simply a validation process to ensure that the financial information maintained by the Treasurer is accurate. It also provides the Board of Directors insight into how the actual chapter expenditures match up with the budget. You don’t need a CPA or financial analyst to perform the review. Anyone who can balance a

Ralph Brown
Member At Large

checkbook should be able to do the review. The recommendation from BHS is that it should be performed by **one or two individuals who are not part of the Chapter or District Board of Directors**. When complete, the Chapter Treasurer or Secretary needs to enter the date of completion in EBiz under chapter **financial filings**.

A detailed explanation is available on the BHS website, in the **Documents** section, under **Chapter and District Business Tools**

Harmony Foundation

As your new VP of Harmony Foundation, first let me thank all of you who donate to assure the future of our awesome hobby. We are all so richly blessed by the music and brotherhood we share and it is essential that we pass it on to those who can and will succeed us.

Secondly, I invite everyone who is not currently a member of Harmony Foundation to consider becoming an Ambassador of Song. Ten dollars a month is easy to do. Once you start donating your pledge, you will never miss it. I have been giving to Ambassador of Song and President's Council both for the past 5 years, and I feel good about my donations. In fact, I increased my President Council donation this spring.

Giving to President's Council entitles you and a guest to attend the reception at each of our conventions and to special seating privileges at the International Convention. It is my dream and goal to see the number of donors grow by 10% this year, and members in my chapter to all be donors

Foundation

to at least the Ambassador of Song program. We have a good start already.

One last thing that I should mention is Donor's Choice. What is it? It's a program that allows donors to designate 30% of their donations to go back to their chapter and/or their district. It's a win, win situation.

If you would like to have someone visit your chapter to sign up members, please let me know and I will arrange a visit. If you are interested in more information or want to join the President's Council or Ambassador of Song, do not hesitate to contact me at drichards1@neo.rr.com.

At this writing, **Labor Day Jamboree (LDJ)** is right around the corner. It is always one of the great Barbershop events of our year here in Sunshine District and this year is no exception! Check out the LDJ calendar event on the Home page of the District Website at: sunshinedistrict.org for all the information regarding LDJ, tickets, room reservations, guest quartets, the Grapefruit League Novice Contest, The Dave LaBar Almost Classic, Classic Golf Tournament, etc. The district Social Media team will also be tweeting about LDJ using the hashtag #LDJ2017. Please use this hashtag for all tweets regarding LDJ so we can all stay up with the action. If you don't know what tweeting is, I have it on good authority that our Social Media Guru Mike Tarlton will be on hand at LDJ and he can answer your questions to get you started. You can expect to see a good few emails regarding LDJ coming out in the following weeks, so watch your inbox.

Are you creative? Got a knack for art and design? Want to win **tickets for two** to the shows during the next **LDJ**?! Labor Day Jamboree is in need of a new logo. And we are launching a Logo Creation Contest to find the perfect fit. The purpose of the Logo Contest is create a logo specifically for the Labor Day Jamboree that captures the spirit and content of the weekend. The logo will be used online and in print for all marketing activities for LDJ and in different district events. The goal really is for Labor Day Jamboree to become its own "brand". Visit: [Labor Day Jamboree](#) for more info and get to work on your submissions! [Visit the Logo Design Contest Page](#) Oh, and by the way.....reservations are open too!! Go book your room right away!

Sunshine District has been registered as an authorized charity on AmazonSmile. What does this mean? If you purchase anything on Amazon, you can choose to login to your account through smile.amazon.com instead of the regular amazon.com address. When you do, Amazon will donate

Communication & IT

0.5% of the price of eligible: smile.amazon.com purchases to the Sunshine District. **Here is a unique charity link for Sunshine District:** <https://smile.amazon.com/ch/59-6194988>

When you click on or type the link above into your browser, you will be asked if you want to support our efforts. The name you will be asked about is **Society for Preservation & Encourmt of Barbershop Quartet Singing Amer.** This is linked to our district tax id. Answering in the affirmative will then direct any purchases you make on smile.amazon.com to receive the benefit. If you don't have an Amazon account, you will be asked to create one. If you already have an account, the process will be automatic once you agree to support us. **You only need to click on the unique charity link above once. After that, you can just login to smile.amazon.com and your support will be automatic.** If all our members who shop on Amazon anyway use this option, the Sunshine District could gain several hundred dollars per year with little or no effort. In fact, since our original announcement to the district via Constant Contact, we have already received some money back into district coffers. **Please support our district programs through: smile.amazon.com**

We continue to have an ongoing project to build some marketing materials for our Conventions. We need help from all of you to accomplish this goal. As a reminder, we are looking for any photos or video you have taken at past conventions. We are not looking for "professional" quality stuff. Rather, we would like your "casual" photos or videos of your experience while at convention. We will use them to produce content that will be used in our marketing efforts both to our own members who may have forgotten what a great time we have at our conventions, as well as to the general public to increase awareness of what we are all about. You can submit them to me for the project at: communications@sunshinedistrict.org. Please feel free to contact me regarding questions/suggestions about the District website.

V. P. Contest & Judging

The Prelim Quartet results are in and Sunshine can be Proud, Proud!! The top three 'seeds' are all from Sunshine and all scored 90 and above. Signature, Main Street and Throwback are the top three heading into the International Contest in Las Vegas this summer. Wouldn't it be great if they are actually fighting it out for the top three spots at International!! What a thrill that will/ would be. So International this summer is a can't miss for anyone from Sunshine! If you can't go, throw a Video party by subscribing to the webcast. And don't forget, we also had Rooftop Records and Fuego qualify for the big show. Support all five Suns quartets by being there live or by webcast.

Our own Spring convention was a success. Although we were down in quartet numbers, we made up for it by more chorus competitors. The most important part, we had 3 choruses compete that hadn't been to Convention in years! We moved the date of our Convention to early March just for that reason, hoping to get more choruses to compete and it worked. The dates will remain as early March (2nd weekend in March) for our Spring Convention so make sure to block out that

V. P. Contest & Judging

date and plan to attend and bring your Chorus!

The disappointment this Spring was in quartet participation, especially the Youth and Mixed quartets. We had three mixed quartets sign up but by the time we got to Convention time, all three had scratched. Hopefully, they are all planning on joining us next Spring! And we had no Youth quartets, a real shame. There was a good deal of confusion because BHS had changed the process of qualifying for The Youth Contest at International. All Youth quartets had to submit a Video and most chose to do it away from the various conventions. I know other Districts were also disappointed with the lack of Youth participation at District. This is something the Board and BHS will need to work on if we intend to continue to want Youth participation at our Conventions. Don't forget, the Fall District Convention has also changed dates and will be in late October from now on. This year it is October 27/28! And a new award has been approved by the Sunshine Board. There will now be an award for the Most Improved Quartet at the District Quartet contest. Many other Districts have such an award and the Sunshine Board wants to encourage District Quartets to stay together and work to always improve. Hopefully, this award will encourage quartets to do just that.

Hope to see you in Las Vegas!!

Steve

Harmony Explosion

Since 1998, the Sunshine District of the Barbershop Harmony Society has sponsored a Summer Music Camp for Florida high school students and their Music Educators. This is not just another camp. The students will experience the very best of every aspect of Barbershop singing!

The Camp is a three day musical experience for teachers and students. The dates for the 2017 Camp are June 8th -10th. The venue will be the Florida Institute of Technology, 150 W. University Blvd., Melbourne, Florida 32901. The students will sing music in the barbershop style taught by

amazing clinicians **Tony DeRosa** and **Debbie Cleveland** with awesome demonstration quartets **Signature** and **Bling**. It's a great way for students to gain part independence, develop ear-training skills, sing in concert with their peers and have a lot of fun! The Florida Barbershop, Sweet Adeline, Inc and Harmony, Inc chapters, quartets, and individuals make every effort to provide funding to help reduce costs for the students for dorm rooms, meals, music and rehearsal halls for the Students and Music Educators. This camp also receives financial support from Harmony Foundation International, which is the charitable arm of the Barbershop Harmony Society.

The HX Camp staff is preparing an awesome event but your financial help is **greatly needed**. **Please** find it in your hearts to contribute to the future of barbershopping by sending a contribution to **Steve Cragg, Co-Camp Director, 411 Bon Aire Ave., Tampa, FL 33617**. Gifts are welcomed from individuals, quartets, choruses and businesses. The camp was an awesome success, but donations are still being accepted! Checks should be made payable to the **Sunshine District**. Donations can also be made on our HX Camp website: **<http://sunshinehx.org/>**.

Thanks for your help!

Celebrating the 90th birthday of Russ Lord

Russ's 90th!

Marco Island, a perfect day.

The "birthday balloons" welcomed barbershop and Marco Island friends and relatives to one of the happiest occasions to occur on Marco Island in ninety years. The red wine was excellent, the white wine cold (as was the ice tea) but for us beer drinkers, Russ and Kathy pulled out all the stops - a cold keg of Heineken! Kathy said, "Russ went 'all out' for his 90th!" The chef from Mangos Bistro made sure that every one had a great time. I could go on about the absolutely delicious food, the sun and the sparkling setting of pool and canal, but the warmth was created by friendship, not by the weather or my puny words.

As you can imagine there were barbershop songs and even a few tags sung by the Paradise Coastmen with a little help from Glenn Seibert et al. supported by Russ's perfectly pitched baritone. (Can you believe Russ drives sixty miles to rehearsal every Thursday night to help us make barbershop chords ring?)

To add to the music floating out over the canal, a good friend of the Lords played his guitar and sang a special birthday song. The crowd of friends and relatives joined in and sang "Happy Birthday" as they watched Russ blow out the candles on his birthday cake. Thank God there weren't ninety candles! One "9" and one "0" candle saved the day for Russ! He then carefully and successfully cut the calorie-laden cake and was rewarded by a kiss from his lovely Kathy!

After the cake cutting, kisses and cheers from the assembled best "wishers", Russ made his only speech of the afternoon. He said, "*Two things are important today - friends and love!*" No one could have said or lived those words better than Russ and Kathy. Thank you both for allowing us to join you on this happy occasion!
