Main Street

2017 International Quartet Champions

Established in 2011, Main Street quartet harkens back to the traditional style of barbershop harmony with soft shoe dance, slapstick routines and nostalgic songs – tipping their hat to the performances from turn of the century song and dance men. Whether it's the waltz clog, a silly one- liner or a tender ballad of romance, a typical Main Street show will pay respect to the creative singers, dancers and humorists who blazed the trail in entertaining audiences around the world.
